Introduction. Audi isn't a company that's accustomed to playing catch-up, but when the Mercedes-Benz CLS started racking up some big sales, it was time for Ingolstadt to respond. It needed something a bit sassier than its rather staid A8 near the top of the range and the answer was the 2011 A7 Sportback. With design cues that harked back to the elegant 100 Coupe of the early 1970s, this was a big car that disguised its bulk extremely well and brought all of the refinement and depth of design ...
