Led down the twisted path of wickedness and depravity by Lilah the harlot demoness, Parry thrived – first as a sorcerer, then as a monk, and finally as a feared inquisitor. But it wasn't until his mortal flame was extinguished that Parry found his true calling – as the Incarnation of Evil.

Of the seven books from Piers Anthony's Incarnation of Immortality series, For Love of Evil is better than all in the series with the exception of On a Pale Horse. Not to say that it is worse than On a Pale Horse but it is at least as good. For Love of Evil is a thought provoking and finely written piece of work for this genre.
