The longing for authenticity, on an individual or collective level, connects the search for external expressions to internal orientations. What is largely referred to as production of authenticity is a reformulation of cultural values and norms within the ongoing process of modernity, impacted by globalization and contemporary transnational cultural flows.

~~Review essay : The persistence of
authenticity: Alessandro ...~~
For the purpose of analysis and deep study,
the period called modernity is divided into
three distinct phases referred to as early
modernity (from 1453 to 1789), classical
modernity (from 1789 to 1900), and finally
late modernity that is said to have started
in 1900 and lasted till 1989.
