Pick this unit up recently off Ebay for under \$100, it replaces a Pioneer VSX 520-k, which in its own is a good unit also. Both unit output 110 watts per channel, but the 01 is a 7.1 compare to the 520's 5.1. The only thing I will be losing from the switch is the blue tooth connectivity with the 520, I did not use it much.
