## Solutions To Exercises In Chapter

A foreign-based manufacturer is concerned about their cash flows in their home currency. A stronger US dollar means that each dollar earned in revenues will translate into more of their home currency. Thus, a stronger US dollar will tend to help foreign-based manufacturers that sell their products in the US.

## Chapter 5 Wiley Solutions Exercises

Abstract. This chapter contains solutions or answers to all of the exercises in the text. It should be noted that we did not always choose the shortest or most elegant solution to an exercise question. Some of the solutions have been provided over the years by our students, and will often indicate the most obvious or direct approach for finding the answer to a given question.
