The power of praying in the Spirit and the gift of tongues How to hear and see in the Spirit (visions, dreams, and revelation) How to partner with the Holy Spirit for healing and miracles

The definitive, one-stop reference to the history of landscape architecture-now expanded and revised This revised edition of Landscapes in History features for the first time new information-rarely available elsewhere in the literature-on landscape architecture in India, China, Southeast Asia, and Japan. It also expands the discussion of the modern period, including current North American planning and design practices. This unique, highly regarded book traces the development of landscape architecture and environmental design from prehistory to modern times-in Europe, the Middle East, Asia, and North America. It covers the many cultural, political, technological, and philosophical issues influencing land use throughout history, focusing not only on design topics but also on the environmental impact of human activity. Landscape architects, urban planners, and students of these disciplines will find here: \* The most comprehensive, in-depth, and up-to-date overview of the subject \* Hundreds of stunning photographs and design illustrations \* A scholarly yet accessible treatment, drawing on the latest research in archaeology, geography, and other disciplines \* The authors' own firsthand observations and travel experiences \* Insight into the evolution of landscape architecture as a discipline \* Useful chapter summaries and bibliographies

Called the Bible of Public speaking, Knockout Presentations is a [seminar in a book] that reduces fear and gives speakers the steps to craft and deliver a talk that will make them a knockout on the platform! It's the next best thing to having Diane DiResta there to teach in person. DiResta provides all the fundamentals without the fluff. Speakers learn what confidence looks like, sounds like, and how to speak the language of confidence, reduce preparation time, craft a compelling talk, size up an audience, overcome fear, and master questions and answers. The Dos and Don'ts at the end of each chapter help speakers review and remember the principles even after putting them into practice. Speaking is the new competitive advantage and Knockout Presentations gives speakers tools and techniques, templates, and resources to improve their skills.

Hazel, the heroine, travels to her Aunt's country house for a holiday. Her Aunt is bitter, angry and rude, so Hazel expects her stay to be a nightmare - little does she expect, though, that there are actual nightmares living in the garden. These creatures - scary amalgams of different animals such as gorillas and leopards - haunt her Aunt every night in her dreams with horrific scenarios. Much to her surprise Hazel is drawn into their world of creating and rehearsing these nightmares. With her new social circle consisting of gorillas crossed with leopards, pythons crossed with porcupines, ducks who smoke cigarettes, wooden-headed dogs and murderers and lunatics Hazel finds herself exploring the scariest depths of the unknown and learns a useful lesson along the way about the nature of friendship. The lively, exciting and fast-paced narrative and quick humour makes this book an addictive read.

In her bestselling guide Can We Help It if We're Fabulous, the irrepressible Peta Mathias shared her thoughts on being a woman Now, with Just in Time to be Too Late, she turns her attention to what it means to be a man in the 21st century. What makes men cry? Why are bad boys so irresistible? What exactly is the point of sport? To what extent is a man's self worth connected to his job? What do men look for in a relationship? Does a man ever get over his first love? Why do men lie? What does he need to be happy? And, of course, why are men like buses? These are just some of the vexing questions Peta looks for answers to. Though she has been married and has had her fair share both of meaningful relationships and flirtatious dalliances, Peta is the first to admit that she knew very little about the opposite sex when she began work on this book - 'A virgin would know more about men than me because she's probably listened more.' Consequently Just in Time to be Too Late is an account of Peta's own discoveries as she delves deeper into the mysterious world of men - a highly personal and frequently hilarious pilgrimage that will resonate with women everywhere.
