Thrones of Desire: Erotic Tales of Swords, Mist and Fire is a place where lust and legend abound, and adventure, passion and danger entwine. Think mystical lands and creatures, kings and queens, knights and renegades, heroes and villains, warlords, maidens and princesses. Think battles and danger, honor and dishonor, good and evil. Most of all, think hearts filled with passion and secret desire. This is a place where romantic chivalry is alive and well, but so too is romantic wickedness. This is a place where the good do not always win, and the bad are often more captivating and desirable than their altruistic counterparts. In these lush and timeless landscapes, the battle for flesh can be as important as the battle for power. Intrigue, sorcery, revenge, lawlessness, dark secrets and mysterious elixirs; entanglements with supernatural beings – everything is possible in these magical mythical landscapes. Inspired by Game of Thrones, these imaginative steamy tales transport the reader to fantastical realms.

in the grand epic tradition." —N. K. Jemisin The Crescent Moon Kingdoms, home to djenn and ghuls, holy warriors and heretics, are at the boiling point of a power struggle between the iron-fisted Khalif and the mysterious master thief known as the Falcon Prince. In the midst of this brewing rebellion a series of brutal supernatural murders strikes at the heart of the Kingdoms. It is up to a handful of heroes to learn the truth behind these killings. Doctor Adoulla Makhslood, "the last real ghul hunter in the great city of Dhamsawaat," just wants a quiet cup of tea. Three score and more years old, he has grown weary of hunting monsters and saving lives, and is more than ready to retire from his dangerous and demanding vocation. But when an old flame's family is murdered, Adoulla is drawn back to the hunter's path. Raseed bas Raseed, Adoulla's young assistant, is a hidebound holy warrior whose prowess is matched only by his piety. But even as Raseed's sword is tested by ghuls and manjackals, his soul is tested when he and Adoulla cross paths with the tribeswoman Zamia. Zamia Badawi, Protector of the Band, has been gifted with the near-mythical power of the lion-shape, but shunned by her people for daring to take up a man's title. She lives only to avenge her father's death. Until she learns that Adoulla and his allies also hunt her father's killer. Until she meets Raseed. When they learn that the murders and the Falcon Prince's brewing revolution are connected, the companions must race against time-and struggle against their own misgivings-to save the life of a vicious despot. In so doing they discover a plot for the Throne of the Crescent Moon that threatens to turn Dhamsawaat, and the world itself, into a blood-soaked ruin.

From the battlefields of conquest to the Roman mob, Aulus Severus must use all his wits to survive in this thrilling Roman historical adventure AD 69: Aulus Caecina Severus has thrown in his lot with the hedonistic Vitellius, preparing his legions for a gruelling march over the Alps. Severus leads his army against barbarian rebellions and the tough mountain passes in his race to reach Italy before his

Get Free Thrones Of Desire Tales Of Swords Mist And Fire

rival Valens. With the Po valley almost in sight, news comes that Emperor Galba has been killed in a coup, and that Otho has been declared Emperor by the Praetorians. But there is no turning back for Severus: the Rhine legions want their man on the throne, leading Severus down a dark path. The politics of the court and the mob is the new battleground, and Severus needs the help of his wife Salonina and his freedman Totavalas if he wants to survive. Then stories spread of a new power in the east... Severus has to decide where his real loyalty lies: to his Emperor, to his city or to himself? The Sword and the Throne, second in The Aulus Severus Adventures, is perfect for fans of Simon Scarrow, Christian Cameron and Bernard Cornwell

A traditional source of sexual titillation for adult readers, fairy tales historically featured licentious themes before being cleaned up for the consumption of children in modern times. Seasoned erotica author Mitzi Szereto restores the explicit sex in the 15 tales in this provocative book — and adds a few surprises of her own. Here the bawdy humor of French fable meets the sublime eroticism of ancient Chinese myth as a far from virginal damsel weds a Prince Charming with a shoe fetish; Little Red Riding Hood discovers Grandma's bed is open to any stray wolf; and a Japanese monk stumbles onto an S/M scene behind a forbidden door. Each tale is prefaced by a brief introduction telling its history and the sexual culture in which it was originally composed.

Aged emperor Thelden III Arrigar's last days are approaching and the Empire's leaders are taking sides in a struggle for power between rival heirs. Blood runs in the streets and the nights are thick with intrigue. Drake Arrigar, bastard prince and half-blooded sorcerer. Darius of Lorraddon, foreign-born Initiate of a holy order of warriors sworn to the Empire. Leasha, senior maiden and chief spy for the Emperor's daughter. These three unlikely friends must navigate the coming storms as plots, violence, and unholy

barbarians tear their lives apart. Their trials, failures, and triumphs will have far-reaching consequences, for their people and for their own futures.

Written to satisfy wanderlust or arouse it, *Erotic Travel Tales 2* offers explicit erotic fiction set in evocative locales—from Prague to Bangkok, Hollywood to Tibet, and beyond...

Two queens, two concubines, six princes. Innumerable secret agendas. A single hidden blade. The imperial palace -- full of ambitious royals, sly gossip, and unforeseen perils -- is perhaps the most dangerous place in the Empire of Zhaon. Komor Yala, lady-in-waiting to the princess of the vanquished kingdom of Khir, has only her wits and her hidden blade to protect herself and her charge, who was sacrificed in marriage to the enemy as a hostage for her conquered people's good behavior, to secure a tenuous peace. But the Emperor is aging, and the Khir princess and her lady-in-waiting soon find themselves pawns in the six princes' deadly schemes for the throne -- and a single spark could ignite fresh rebellion in Khir. Then, the Emperor falls ill -- and a far bloodier game begins... *The Throne of the Five Winds* is the first installment of the *Hostage of Empire* series, an intricate and ruthless East Asia-inspired epic fantasy trilogy perfect for fans of George R. R. Martin, Ken Liu, Kate Elliott, and K. Arsenault Rivera.

In a world where the flightless are ruled by those who can fly . . .

Behind the Throne begins K. B. Wagers's action-packed science fiction adventure, with a heroine as rebellious as Han Solo, as savvy as Leia, and as skilled as Rey. Hail Bristol has made a name for herself as one of the most fearsome gunrunners in the galaxy. But she can't escape her past forever: twenty years ago, she was a runaway princess of the Indranan Empire. Now, her mother's people have finally come to bring her home. But when Hail is dragged

back to her Indrana to take her rightful place as the only remaining heir, she finds that trading her ship for a palace is her most dangerous move yet. In a world where the only safe options are fight or flight, Hail must rule. "Excellent SF adventure debut." -- Publishers Weekly, starred review The Indranan War Behind the Throne After the Crown Beyond the Empire

Winner of the 2020 Hugo Award for Best Novel A Locus, and Nebula Award nominee for 2019 A Best Book of 2019: Library Journal, Polygon, Den of Geek An NPR Favorite Book of 2019 A Guardian Best Science Fiction and Fantasy Book of 2019 and "Not the Booker Prize" Nominee A Goodreads Biggest SFF Book of 2019 and Goodreads Choice Awards Nominee "A Memory Called Empire perfectly balances action and intrigue with matters of empire and identity. All around brilliant space opera, I absolutely love it."—Ann Leckie, author of Ancillary Justice Ambassador Mahit Dzmare arrives in the center of the multi-system Teixcalaanli Empire only to discover that her predecessor, the previous ambassador from their small but fiercely independent mining Station, has died. But no one will admit that his death wasn't an accident—or that Mahit might be next to die, during a time of political instability in the highest echelons of the imperial court. Now, Mahit must discover who is behind the murder, rescue herself, and save her Station from Teixcalaan's unceasing expansion—all while navigating an alien culture that is all too seductive, engaging in intrigues of her own, and hiding a deadly technological secret—one that might spell the end of her Station and her way of life—or rescue it from annihilation. A fascinating space opera debut novel, Arkady Martine's A Memory Called Empire is an interstellar mystery adventure. "The most thrilling ride ever. This book has everything I love."—Charlie Jane Anders, author of All the Birds in the Sky And coming soon, the brilliant sequel, A Desolation Called Peace!
