Wiring Diagram For Edc
poured zinc has a higher degree of porosity due to its molecular make-up than die cast zinc. This is important because in hand poured zinc, size for size, there is a greater area exposed to corrosion than in die cast zinc.

Zincs - B&S Zinc Anodes

Hello all, Switching insurance carriers as current company is exiting marine market. New company is requesting engine serial number. I have never seen this, however on the engine tag it does list Engine Number E00812. I would assume engine number is the serial number?? Thanks!
